### Lee City.

Clay Rose sold Abner Moore a house and lot in town a few days ago.

D. N. Wells and R. F. Anderson took the contract to build our school house for \$345.

Rev. W. L. Lacy and others have been holding a protracted meeting at the Walters school house.

Mrs. Roe Patrick and Miss Laura Patrick, of Johnson fork, visited James Arnett Saturday and Sunday.

Squire J. H. Sebastian, S. Miles Nickell, Woodson Little and H. C. Shockey, of Daysboro, were in town Saturday.

George Washington Dunn has been absent from town about two weeks, and the sheriff has been hunting for him.

The sheriff sold a yoke of oxen belonging to A. J. Walters Saturday, to satisfy an execution, to Clay Rose for \$20.05.

Logan Fallen, of Gilmore, and Dr. W. O. B. Ramey, of Frenchburg, were the guests of Oscar Fallen and wife two days last week.

A. J. Walters is moving to Hunting creek, Breathitt county, and will move the steam mill he bought from A. J. Dykes there in a few days.

Mrs. G. B. Rose is very sick. Dr. Tip-ton is attending her, but we hope she will soon be well, for she sent you scribe a nice lot of honey for Christmas.

We can get plenty of green apples to eat, for B. F. Rose, near town, holed up about 175 bushels last fall. Mr. Rose is one of the best farmers in this county.

D. N. Wells and R. F. Anderson have the mill fever yet, for we learn they have bought another steam mill on Kane creek, Breathitt county. We predict a success for them, as they are both energetic men.

Old Aunt Frankie Kash, of Gilmore creek, walked to see her daughter, Mrs. Oscar Fallen, of our town, last Thursday and returned home Sunday. She is 75 years old, and can walk as glib as a ten-year-old girl.

Miss America Wilson was the lucky one to guess the number (which was 23) that drew the sugar bowl at Oscar Fallen's store. For each package of prize coffee bought the purchaser was entitled to a guess, and she bought only one package. What will be the next prize she will draw? It may be that Magoffin boy.

Miss Carrie Harmon, of Butler, Mo., and who is a grand-daughter of Mrs. Caroline Swango, of this place, was recently married to Leonard Thompson, also of Butler. The Missouri papers speak in high terms of both bride and groom. James Harmon, the bride's father, has moved his residence to Warrensburg, Mo. We clip the following from the Butler Times: 'The groom is the son of Mr. and Mrs. N. D. Thompson, one of Bates county's wealthy and most influential families. He is an exemplary young man, and in winning the heart and hand of Miss Harmon, the handsome and accomplished daughter of Mr. and Mrs. J. H. Harmon, formerly of Summit township, he certainly displayed good taste, and wedded a young lady in every way worthy his affection. This young couple start in life under the most favorable auspices for a bright, happy and prosperous career, and with the best wishes of a host of friends.' THE HERALD extends congratulations.

Some time ago Mr. Simon Goldbaum, of San Luis Rey, Cal., was troubled with a lame back and rheumatism. He used Chamberlain's Pain Balm and a prompt cure was effected. He says he has since advised many of his friends to try it and all who have done so have spoken highly of it. It is for sale by John M. Rose.

### DEMOCRATS INDIGNANT.

Judge Beckner Says They Will Call Senator Holloway Down.

Judge W. M. Beckner, of Winchester, ex-congressman from the Tenth district, and candidate for the Democratic nomination in that district again, was in the city yesterday on private business. To a representative of The Herald he said that he had no opposition so far for the nomination, and from what he could gather he would not have any.

The judge is very indignant at the action of State Senator Holloway in refusing to go into the Democratic senatorial caucus, and says the Democrats of Bourbon, Clark and Montgomery counties, which compose the district represented by Mr. Holloway, will most certainly hold indignation meetings and request him to vote for Blackburn. Such a meeting, the judge said, would be held by the Clark county Democrats one day this week, and they would speak in no uncertain tones to Mr. Holloway.

Judge Beckner said that the Tenth district was now very close politically, but he believed that he could carry it by a safe majority over any Republican that might be put up.—Lexington Morning Herald.

### An Old Soldier's Recommendation.

In the late war I was a soldier in the First Maryland Volunteers, Company G. During my term of service I contracted chronic diarrhea. Since then I have used a great amount of medicine, but when I found any that would give me relief it would injure my stomach, until Chamberlain's Colic, Cholera and Diarrhea Remedy was brought to my notice. I used it and will say it is the only remedy that gave me permanent relief and no bad results follow. I take pleasure in recommending this preparation to all my old comrades, who, while giving their services to their country, contracted this dreadful disease as I did, from eating unwholesome and uncooked food. Yours truly, A. E. Bending, Halsey, Oregon. For sale by John M. Rose.

### Changed Counties.

Living at the mouth of Sturgeon creek in Lee county, now in his 88th year, is James Braudenburg, familiarly known as "Uncle Jimmie." Although he has always lived in the same house he has been a native of three different counties by a change of lines—Estill first, where he had to travel twenty-two miles to vote, and the elections were continued for three days; then Owsley, composed of Clay and Breathitt, and lastly Lee, in which he now lives. He has been a voter for sixty-seven years and voted for Gen. Jackson for president in 1832.

A daily newspaper, with all the name implies, 312 days in the year, and THE HERALD one year, all for \$2.50, is one of the miracles of cheap journalism. But we have arranged with the publishers of the Louisville Evening Post for this great combination. If you want daily market reports, or full and fair reports from Washington or Frankfort, you should send your subscriptions to us at once. The Evening Post does not color its news, so you get all the news straight. The state news of the Evening Post is the best department in any daily paper. Mr. Editor: Please find enclosed 50 cents for THE HERALD six months for Miss Frances Sweeney, Maytown, Ky.

Last Saturday night the store of the late J. C. Swango was broken into by night robbers. We have not learned the amount taken, but got out with more than they could carry away, and dropped shoes and other articles on their route.

We have received from C. A. Snow & Co., solicitors of United States and foreign patents, of Washington, D. C., a pamphlet recently published and copyrighted by them, entitled "a summary of foreign patent laws with information and advice about foreign patents, giving the cost of same in various countries." The pamphlet is concise, well written, and contains in plain statement much that will be of interest to inventors, patentees and manufacturers. A copy will be sent free to any one addressing C. A. Snow & Co., patent lawyers, Washington D. C.

If you are indebted to this office on subscription, job work or advertising, you will oblige us very much by coming to the Captain's office and paying your dues. Come on and we'll try and attend your wants.

A West Liberty dispatch in the Cincinnati Enquirer of Sunday says: "Tom, Frank and Will Hopkins, brothers, while at work in a barn, quarreled over the division of their work. Will, the youngest, aged 16, attacked Tom with a pitch fork. Tom took the implement away from him and stabbed him six times with a knife. The injured boy is dying, and officers are on the track of the knife user, who fled immediately after the cutting. It is thought he has gone to Texas, where he came from several weeks ago."

Isaac Dingfelder, representing the wholesale dry goods and notion house of J. M. Robinson, Norton & Co., Louisville, has our thanks for the prettiest 1896 calendar we have seen anywhere. "Ding," as he is familiarly known by his host of friends among the mountain merchants, needs no commendation at our hands. He is, indeed, the best known and the best liked of all men in the trade, and it is no wonder that he secures the lion's share of all the trade from this section.

A resolution to do something hereafter is a resolution not to do it now. If you are suffering with sick head-aches the time to cure them is immediately, before they fasten themselves upon you as a habit. By all means, make the first attempt to cure them by a simple course of Ramon's Tonic Liver Pills (and Pellets). A box costs but 25 cents, is entirely harmless, and the chances are ninety-nine in one hundred that you will not have a sick-headache again for a long time. Sample dose free at the drug store.

Cal Davis, of Stillwater, met with an accident on Tuesday that may result fatally. He was hauling corn on a sled when the horse he was driving scared at something and ran away. Mr. Davis was thrown from the sled, which passed over his body and injured him internally to such an extent that his recovery is doubtful. Dr. Taulbee was called to see him, but we have not heard whether he attended him or not.

Japanese Oil is said to be the most wonderful liniment for external application that scientific chemists have yet been able to compound. Handraja and thousands testify to this, as it has saved both life and expense. Sold at this office at 50 cents a bottle. Try it, as it is a household necessity and always "a friend in need."

Married, at the residence of Logan Murphy, on Tuesday evening at 8 o'clock, p. m. H. F. Oldfield to Miss Lou E. Murphy, and to the surprise of all present, Miss Annie Murphy, daughter of Kelse Murphy, and Willie Murphy, son of Logan Murphy, also appeared on the floor, and the two happy couples were united in the holy bonds of matrimony by Rev. Isaac Murphy in one ceremony.
